

CLOISONNÉ

VARIETAL/APPELLATION

Chardonnay, Carneros

TASTING NOTES

Golden yellow in color. Rich aromas of granny smith apple, white flowers and citrus notes. Silky texture with flavors of apple, citrus, minerality and a wisp of oak. Finishes with a full and lingering expression of Chardonnay.

VINTAGE NOTES

In 2022 we had a warm harvest in California with average yields. The fruit of this wine came from Sonoma's Los Carneros region. The close proximity to the San Pablo Bay makes

this the perfect spot to grow the Wente clone. The warm days and cool nights at harvest made this an amazing year for Chardonnay.

PAIRING SUGGESTIONS

Pair with roasted chicken, salmon or richer seafood dishes. Also, perfect to drink on its own as an aperitif.

WINEMAKING NOTES

- Barrel fermented using older French oak barrels
- Full Malolactic conversion to yield a full texture
- Bottled: August 8, 2023
