

# CLOISONNÉ

## VARIETAL/APPELLATION

---

Pinot Noir, Anderson Valley

## TASTING NOTES

---

Deep crimson in color. Earth, spice and floral aromas jump out of the glass. Strawberry, dark cherry and spice flavors are vibrant and engaging. Firm acidity and mineral notes on the finish.

## VINTAGE NOTES

---

2017 was another early harvest in California with a modest harvest. We are thrilled to be able to make a wine of this quality and character at a price that everyone could access. Grown in the cool Anderson Valley of Mendocino, this wine exhibits the finesse that is a hallmark of Pinot Noir. Gentle handling and a subtle use of oak allows the fruit to come through on this wine.

## PAIRING SUGGESTIONS

---

Bright and intense in flavor, but very well balanced. This wine pairs well with a wide range of foods from salmon, roasted chicken, rich pastas or can be enjoyed on its own.

## WINEMAKING NOTES

---

- 100% Pinot Noir
- Fully destemmed
- Fermented cool in small jacketed tanks
- Aged in 100% French oak

## CASES PRODUCED

---

746
